Anna Nichol Stutsman (b. 1979, Goshen, Indiana) is a San Francisco based conceptual artist. In 2010 she received an Associates of Applied Science in Welding Technology, with a specialty in Art Metals from Austin Community College, Austin, Texas. In 2015 she received a Bachelor of Fine Arts in Painting from the San Francisco Art Institute, San Francisco, California. Working from an interdisciplinary practice, she utilizes

collage, drawing, painting, photography, printmaking, and sculpture techniques as she seeks to embody the act of questioning.
